Tied for Second Place With the Chicagos, Who Add to Boston's Burden-Griffith's Men Play Strong Ball-Clevelands and Philadelphias Win From Opponents.

The close and interesting American League race became still more close and interesting yesterday. New York beat St. Louis twice, cleaning up the series, and Chicago beat Boston, making three out of four for the White Sox. New York and Chicago are tied for second place, and both are pressing Boston closely. Philadelphia best Detroit and Cleve-land won from Washington. The results: New York, 3; St. Louis, 2. First Game. New York, 9; St. Louis, 2. Second Game.

STANDING OF THE CLUBS. NEW YORK (A. L.), 3; ST. LOUIS (A. L., 2-PIRST

GAME Two victories were won by the New York Americans yesterday, and both were well won. There was an abundance of first class all around work by the New Yorks-life and wim in their playing. Also, there was good work by St. Louis, but the Browns were not as steady at the New Yorks, nor their good work so evenly sustained. In short, they were outplayed all through. Vigorous cheering urged Griffith's men to put their best foot forward. The applause was carned. The first game was ten innings in length, both Chesbro and Glade pitching strongly. Splendid performing on double plays helped dispose of the Browns. Williams was a big actor by his timely hitting and reliable fielding. The Browns scored once in the fourth inning. By a beautiful pick-up Anderson saved Elberfield one error in this inning, Elberfield threw Hemphill's grounder

vide to first. Moran sept Hemphill in with two-bagger todeft. The New Yorks also scored in the fourth. Elberfeld singled and reached second when Padden muffed an assist on Anderson's force. Williams hit hard over second and brought Elberfeld in. Hits by Padden, Sugden and Glade and a double steal by Padden and Sugden gave the Browns a count in the fifth. Keeler's fine throw to the plate of Clade's iff kept more than one run from coming in single, Fultz's sacrifice Villiams's McGuire's hummer to centre gave New York

The remaining innings bristled with sharp fielding, New York's double plays and Wal-hoe's and Moran's efficiency shutting off impending runs. In New York's half of the tenth Dougherty hit in front of the plate. Bugden waited for the ball to roll foul, but it not, and Sugden's throw to first was not only too ong deferred to get Dougherty but was so wild that Dougherty reached third Lase. He tore for home and victory on Keeler's By to Heidrick, and got there. The St. Louis outfielders played in close for Keeler, fooled them by knocking a long fly, long enough to score Dougherty. NEW YORK (A. L.), 9; ST. LOUIS (A. L.), 2-SECOND GAME.
Fultz's home run with the bases filled was by long odds the most stirring happening of the second game, though Wallace, Padden and Jones did some great fielding. They also made expensive errors. Orth held the St. Louis batters in subjection.

After having three men left on bases in the second inning, the New Yorks won the game in the third. Dougherty was thrown out by Moran. Keeler beat his hit to Jones and went to third when Jones threw wild to Sudhoff, who covered first. Elberfeld's hit scored Keeler. Anderson singled to right, Williams hit to Moran, who made a poor throw to head off Anderson at second. It was then that Fultz aroused intense enthusiasm with a line hit to right for a home run. Padden made a bad throw of Conroy's grounder and Conroy stole second and tallied on Orth's hit.

Orth's two-bagger and Dougherty's single

hit.
Orth's two-bagger and Dougherty's single were good for a run in the sixth. Hits by Hemphill, Moran and Wallace gave the Browns their only runs. After Williams had singled in the seventh, Conroy hit'past Heidrick for a home run. Early in the game Dougherty threw a man out at the plate from deep left. The score: NEW YORK.

NEW YORK (N. L., 6; PHILADELPHIA (N. L., 4. It was not a well played game in which the Yew York Nationals defeated the Philadelphias yesterday. In the line of perfect baseball both Manhattanite and Quaker were con-spicuously deficient. There was a liberal share of loose playing. Yet it was not a dull game, and not a little good playing was weaved in with the looseness. Making a stand in one inning, the fourth, and getting four runs, the New Yorks won. They had to overcome a lead, but they are adepts at that sort of thing, and once in front they held the tailenders

The error making began in the first inning. Browne made the circuit on Doyle's muft of an assist, Dunn's single and Titus's poor return of McGann's fly. The Quakers became turbulent in the second and scored three runs. Doyle cracked safely to left. Titus singled in the other direction and Browne fumbled the ball. Hulswitt's single brought Doyle and Titus home, Hulswitt going to sec ond on the throw in. He scored on Thomas's

ond on the throw in. He scored on Thomas's hit.

New York's half of the fourth began with a base on balls to Browne. Dunn's single put Browne on third, after which Dunn stole second. McGann lammed a lusty two bagger, which was all the instigation Browne and Dunn wanted for scoring. Mertes put McGann on third with a sacrifice, Dahlen brought him in with a base hit and Gilbert's hit brought Dahlen in, after the converted one had stolen second.

McCormick's bunt and steal, a passed ball and Dunn's hit gave the locals their sixth run. McCormick's clumsy handling of Gleason's hit, the Kid reaching third, and an out gave the Philadelphias their fourth run.

There were two fielding plays of unusual excellence, one a catch far afield by Browne, the other Bowerman's catch of a foul back of third base. The score:

Willis, Boston's slim pitcher, proved a stumbling block to the Brooklyns at Washington Park yesterday afternoon. He pitched an excellent game, allowing Hanlon's men only three hits, two of which were on the soratch order. Besides pitching great ball he fielded his position to perfection, accepting six chances. The result of all this was that the Brooklyns were presented with a coat of whitewash.

Jones, who was on the firing line for the Brooklyns, proved an easy mark, especially when hits were most needed, Delahanty and Geier putting the finishing touches to the game by slashing out home runs in the eighth and ninth innings respectively. Each was made, too, when a man was on first. The score:

ANNIE LITTLE BEATS MONROE. AUTO RACING AT NEWPORT. Plenty of Sport at Matinee of New York

Driving Club. An evenly balanced card without a weak point was provided at the seventh matines of the New York Driving Club, held at the Empire Track yesterday. The weather was perfect from the spectators' standpoint, but scarcely warm enough for extreme speed, yet the time in all the contests was fast and there was not a disappointment from first

What was considered the event of the day, the fastest trotting race, had an added interest in the first start this year by James Butler's Grand Circuit trotter Monroe, 2:12½. He did not prove to be quite up to a hard race, and Annie Little, now thoroughly seasoned, beat him each time.

The first split heat race of the day came in the third event, when Brightlight, a winner at the preceding meet: Eula Mac, also a former winner, and Princess Pique, who was the sensation of one earlier meet, met to decide the convership of a blue rosette. Brightlight won the first heat because the Princess did not seem to warm to her work. The next two heats were won by Princess Pique in commanding fashion.

Several coaching parties were given among the cottagers and there was a very brilliant gathering

around the judges' tent.

It was exepcted that many of the cottagers who had machines entered would run their own machines, but only Col. John Jacob Astor, Peter D. Martin, T. Shaw Safe and J. M. Clarke drove their autos. Otto Nestman drove the machine of P. A. Conroy in the third and ninth race, winning both.

The only race in which any good time was was made in the eighth, in which two 60 horse-power machines were entered, it being won by E. R. Thomas over S. H. Harkness, the time being 1 minute 2½ seconds. This is good time for the track, which was one mile and an eighth. It was thought that there would be some difficulty in stopping the machines at the end of the beach and the chauffeurs arranged to run them into the sea if they saw that they could not stop them before the cliffs were reached, but they had no trouble.

The second race was run three times, there

before the cliffs were reached, but they had no trouble.

The second race was run three times, there being some difficulty in seeing the starter's flag, and in each trial the Harry Hamlin car had practically a walkover. In this race Col. Astor drove and finished second.

About a quarter of a mile from the start there was a little gully in the beach which was filled with water, and as the machines went over it they threw water completely over them. The meet was without accident, and considering the conditions which the drivers had to contend with, it was a most successful meet. The officials were as follows: Judges, D. B. Fearing, W. R. Hunter, W. E. Carter. Timers Messrs. F. P. Jarrettson, H. F. Webster, J. S. Milne. Referee—J. M. Clarke. Umpires—C. W. Dolan and E. L. Winthrop, Jr. Starter—J. K. Sullivan.

Maker of Continuous Record Reaches

Chicago With Auto. CHICAGO, July 30.—F. A. La Roche, a mem-ber of the American Automobile Association ber of the American Automobile Association, who is attempting to establish a record of 5,000 miles in an Automobile without once stopping the engine, passed through Chicago en route from New York to St. Louis. Barring accident he will reach the world's fair city on Monday, and remain there two days viewing the sights of the exposition, while the automobile will be kept in motion, either in touring about the grounds or in a trip to Kansas City. in touring about the grounds of Kansas City.
On Wednesday Mr. La Roche expects to begin his tour to New York, and if no unforseen breakage happens will reach the seaboard metropolis on Sunday, Aug. 6, with the engine still keeping up the motion started last Monday.

The Comanche, a high speed auto boat, vas launched by the Gas Engine and Power was built by the Seabury company for S. H. Vandergrift of Pittsburg, an enthusiastic yachtsman and member of the New York and Larchmont Yacht clubs. The guarenteed speed is thirty miles an hour. The launch is 66 feet 6 inches over all, 65 feet on the water line, 6 feet beam, and of minimum draught. The model has long torpedo boat stern and sharp overhang, with very fine entrance lines for the forward body. The machinery consists of a new design Speedway gasolene engine with nine cylinders, each 10 inches by 8 inches. The hull is divided into three compartments, the forward and after cockpits for passengers, and the engine is placed amidships. The hull construction is made up of three thicknesses of planking, with copper fastenings. The outside planking is of teak below the water line and Spanish cedar is used above the water line. A mahogany combing of ample height above the deck encloses the entire cockpit. was built by the Seabury company for S. fl.

STANDARD BEATS NEW AUTO BOAT Herreshoff's Swiftsure Not Fast Enough

for Old Campaigner. Atlantic Yacht Club held its second regatta for power boats yesterday afternoon. Although valuable prizes were offered only three boats started, but these three made fast time. They were C. C. Riotte's Standard, N. G. Herreshoff's Swiftsure and C. N. Hamilton's Vingt et Un. The Swiftsure is a new boat that has just come on from Bristol, and it was expected that she would beat the Standard. She made fast time, but over the twenty mile course was from off the clubhouse at Sea Gate to Robbin's Reef Light and back, sailed twice over.

The Standard made the twenty nautical miles in 56 minutes 50 seconds. This is at the rate of 21.128 knots, or 24.294 statute miles, an hour. The Vingt et Un made the course at the rate of 20.725 knots, or 23.836 statute miles an hour and the Swiftsure's average was 20.135 knots, or 23.155 statute miles, an hour. The summary.

GREAT NECE, L. I., July 30.—Long Island's polo season closed to-day with the final game for the Great Neck challenge cup between the Bryn Mawr and the Country Club of Westchester team. The Philadelphias allowed three goals handicap to the New Yorkers.

Whirlwind polo was played throughout. Kennedy, the back of the Philadelphia team, was knocked senseless from a blow in the eye with the ball, and the game was stopped until medical attendance could be summoned. The injured player was taken from the game, but came out later and was cheered to the echo. The Bryn Mawrs won by the score of 22 ceals 18. the Bryn Mawr and the Country Club of

YANKEE BEATS VIRGINIA.

Big Yachts Start for First Time This Season in Indian Harbor Regatta. Lack of wind spoiled the annual regatta of the Indian Harbor Yacht Club yesterday. Thirty-eight yachts started, but were only able to get once around the triangular courses. The races were sailed on the Sound off Greenwich. Early in the morning the wind was so light that the start was postponed. It was 2 o'clock before there were any signs of a breeze. Then a light air from the west-south-west stole across the Sound, but it was so light that the big boats were all badly handicapped at the starting line.

J. Rogers Maxwell's Yankee and W. K. Vanderbilt's Virginia met in the so-foot class. It was the first time these two had started this season. Both were handicapped, the Yankee four minutes and the Virginia nine minutes. They sailed a triangular course, having a reach on the first leg, a beat on the second and a reach home. The Yankee increased her lead all the way around and won

easily.

In the schooner class the Seneca had little In the schooner class the Seneca had little trouble in winning from the Quickstep. The Neola raced against the Aspirant and Khama and she won. The Mimosa III. was the winner in the 3e-foot class and Commodore Trenor L. Park's starter in the raceabout class, the Hobo, also won. There were tentarters in this class and the Hobo beat the Rascal II. by 19 seconds.

The most exciting race of the day was in the class for Indian Harbor knockabouts. The Wa Wa met her first defeat of the season. The Kenosh, sailed by A. G. Hanan, and the Shoshone sailed a dead heat.

REGATTA IN LOWER BAY. Marine and Field Club Races Provide Good

Marine and Field Club Races Provide Good

Sport.

The annual regatta of the Marine and
Field Club, which was sailed yesterday afternoon, was one of the most interesting that
have been witnessed on the lower bay this
season. Twenty-four boats started, and
aided by a fresh southerly breeze, made fast
time over the triangular courses. The races
were sailed in full view of those on the clubhouse plazzas and lawns, and were witnessed
by those at the Atlantic Yacht clubhouse,
off which was one of the turning marks.
The yachts were tested on all points of sailing. They had a reach on the first leg, a beat
on the second, and a run on the third.

In the 36 foot class the Maydic beat the
Redwing headily. In the 30 foot class the on the second, and a run on the third.

FALLS AT HORSE SHOW. Several Riders Unseated, but No Serious

Injury—A. G. Vanderbilt's Feur Wins.

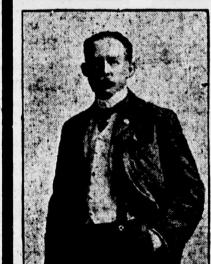

Long Branch, N. J., July 30.—The eleventh annual horse show at Hollywood closed tonight with an exhibition by electric light at which more than 5,000 persons were present. A feature of the night show was the judging of the champion pacers. Mrs. J. B. M. Grosvesnor ended the fourth day of the show this afternoon with ten blues to her credit, and Jack Donnelly carried out his promise that he would add another at the night show. Mrs. John Gerken is the second largest winner.

The features of this afternoon's show were three in number, the exhibition of four-inhands in which Alfred Gwynne Vanderbilt again won the blue ribbon with his grays with Stuart Duncan, second, the pony racing class and the contest for hunters and jumpers. In the racing class, as well as in the hunters and jumpers class, riders were thrown.

George Watson, Jr., riding C. F. Hahn's Blackace in making the first turn collided with a post and fell heavily to the ground. He was not seriously hurt.

The riders of Gay Boy and Thistleton were unseated, but they were both able to remount and finish the jumps. Lehman Strauss, John T. Spratley and C. E. Myrick, well known horsemen, rode an exhibition pony race for \$100 a corner. Spratley won the cash. Myrick fell off and did not finish.

Mrs. Grovesnor won five of the twelve classes judged. Other winners were Mrs. R. F. Carman, John T. Spratley, Emil Seelig. Mrs. John Gerken, who won two: Alfred. Vanderbilt and W. G. Brokaw. Injury-A. G. Vanderbilt's Four Wins.
